Archbishop's Appeal

The blind man showed not only that he had great faith in the ability of Jesus to give him sight but it also showed his willingness to persevere even when others told him to be quiet. God calls us to trust in Him in all things. He calls us to be vocal about our faith even when others want to silence us. The great faith the blind man showed resulted in a great reward. He got his sight. It did not end there because he showed his gratitude by following Jesus. We often forget to do that. We need to express our gratitude to God for all he does for us whether it be small things or big things.

The Archbishop's Appeal provides support to a wide variety of community outreach programs such as Catholic Family Services, Native Ministry and Visitation House to name a few. These programs assist people in the community who need a variety of supports. By providing them help we can live what Jesus taught us about helping each other. Your support for the Appeal means the Archdiocese can continue to run the programs and make life a little better for our brothers and sisters.

Stewardship Bulletin Bit

"And Jesus said to him, 'Go your way; your faith has made you well.' And immediately he received his sight and followed him on the way." (Mark 10:52)

Faith is believing in something even though you may not be able to physically see it. Many people think that miracles don't happen anymore. This is hard, but try to focus on the positive and not the negative things in your life. When you focus on your blessings instead of your hardships, miracles will seem common. You will see God's active presence in your daily life. You will begin to develop an attitude of gratitude.
