## TF264: Dr. Brett Salkeld Speaking to Huron Perth School Division - Part 1

This week on Thinking Faith, we begin a series of talks delivered by Dr. Brett Salkeld to the teachers of the Huron-Perth Catholic School Division. This four-part series will touch on areas of Truth and Reconciliation as well as

Curriculum permeation in various subjects.

Show Snippet: "We're not used to silence very much these days. We don't have much of a practice of silence, we're connected 24/7, and maybe if silence is awkward, maybe that's good, maybe that's something to practice in your own life and develop a capacity to sit in silence and listen..."

## Season of Creation September 1 - October 4, 2021

Season of Creation Mountain Sunday. Creator God, we are asked to move a mountain of indifference to the earth. We have taken more than we need, leaving little margin for the future. Biodiversity is groaning under the pressure. Soften our hardness of heart. Turn our gaze to each other, especially those most affected by the severe droughts, heat, and floods caused by climate change. Help us to truly hear the cry of the earth and the cry of the poor. (Linda Maddaford)

## Archbishop's Appeal

In today's readings, we see our God is a God of love. He has a deep love for man, involving man in the works of his creation from the very beginning, having man name the animals of creation. God has worked tirelessly from the beginning to bring mankind to himself in a loving relationship.

When man rejected God's love, God does not abandon mankind but works ever harder to bring us into relationship with himself. God has taken no small measures to restore us to himself, it has cost him dearly, to watch the suffering and death of his own Son, for our sake. God provided man with a mate to share God's loving blessings with in a deep loving relationship with each other and with God. A companion to journey with love through this world, until we are face to face with God in glory.

We have found that a loving relationship doesn't come without its challenges, hardships and sometimes sacrifices at seemingly high costs. But as in all things, should we not follow God's example to us, and continually make the sacrifices, look to each other with kindness and understanding to rekindle and continue our journey with love; in our marriages, our families and all whom we share this journey.

God continues his work to bring us all into a loving relationship with himself and provides each of us with many gifts and talents to be used in these works. Just as in the beginning God wants man to play a role in his creation. The Archdiocesan Appeal is one of the many gifts that God has made available to us to continue our active participation in his Loving Creation, in the Archdiocese of Regina.

### Stewardship Bulletin Bit

*"So out of the ground the Lord God formed every beast of the field and every bird of the air, and brought them to the man to see what he would call them; and whatever the man called every living creature, that was its name." (Genesis 2:19)*

The creation story reminds us of two important points. First, since the start, God has put the entire world into our care. Second, stewardship has been around since the beginning of mankind, it isn't something recently invented by the Church. Just as past generations built our Church, it is now our responsibility to continue to nurture and develop these gifts for future generations.

## Praying for Priests Apostolate for the Archdiocese of Regina First Stage – Spiritual Motherhood for Priests

The idea of spiritual adoption of priests, where a woman adopts a certain priest as her spiritual "son" for whom she promises to pray, is not a new one; however, it was reserved only for nuns. In 2007, the Congregation of the Clergy, with the approval of Pope Benedict XVI, invited lay women to adopt priests as their spiritual sons, and to pray for them constantly, particularly before the Blessed Sacrament.

In this Spiritual Motherhood of Priests, we try to imitate our Blessed Mother Mary, the first Mother of Priests, in her humility and sacrifice. We adopt priests as our sons with the commitments of Eucharistic Adoration, daily prayers, and sacrifices to help our priest-sons give themselves to God more perfectly in being shepherds of their flocks, leading us all to heaven with them. Would you like to become a Spiritual Mother and "adopt" a priest to pray for him? For more information please contact: Shannon Novak at [tnovak@sasktel.net](mailto:tnovak@sasktel.net) or 306-585-1609.
